

# An Invitation for an individual session on **Expanding Your Vision**

with **Barry Auchettl M.Ed.**

*"I received a more immediate response by my eyes than I could imagine!"* - Lorraine

Individual sessions available

## Eye Power

Eye Power is a fully safe and natural method of improving eyesight and vision. It includes effective and simple eye exercises, and muscle testing to determine the underlying causes of eye problems.

Eye Power assists people of all ages by:

- Improving eyesight & eye related problems
- Decreasing eye strain at the computer
- Decreasing dependency on glasses
- Releasing blocks to vision
- Clearing underlying belief patterns to seeing
- Increasing self-confidence and awareness

**NEW!** Now includes a **Vision Essence** to help overcome blocks to seeing

## Sabotage Clearing & Goal Enhancement

Sabotage Programs are unconscious programs that can run contrary to our conscious desires and goals.

These sessions will clear sabotage programs and replace them with more positive goals.

Areas where a sabotage program exist include:

- Addictions such as smoking, food or alcohol
- Lack of money and/or abundance
- Relationship difficulties at home or work
- Constant health problems
- Unsure of what your life's purpose is
- Any problem areas that keep re-occurring

**NEW!** Now includes use of 'The Secret Scan Chart' to enable you to step into your power

Barry Auchettl M.Ed. has worked as a facilitator and educator for over 25 years and has personally overcome the need for wearing glasses. He is the founder of Eye Power, the creator of 'Conversations: an inspirational game', and author of 'Eye Power', 'The Scan Charts' and 'The Secret Scan Chart'.

Barry is the only trained facilitator of Sabotage Clearing and Goal Enhancement in Victoria. He currently runs workshops, seminars and training in the USA, Canada, Australia and New Zealand. His passion is allowing people to shine from within

Session length: 1½ hours

Investment: \$90.

Payment by cash, Paypal, cheques or direct deposit.

**Bookings: Barry Auchettl

*"I am wearing my glasses less and find that colours are much brighter and sharper. I highly recommend Eye Power to those who want better vision and are willing to take the steps to achieve this." Sherry*

*I have been surprised by new shades of the colour blue even though I have a degree of genetically determined colour blindness." John*
